

**December 27, 2019**

**SUBJECT**

2020 Q1 Drug Formulary Change Notification

**PROVIDERS AFFECTED**

All providers

**BACKGROUND**

Hennepin Health is making several changes to its drug formulary. These changes are applicable to Hennepin Health-PMAP, Hennepin Health-MNCare and Hennepin Health-SNBC members. Members who are directly impacted will receive notification of these changes. The full drug formulary is available on the website. A printed copy can be obtained by calling Provider Services at the number below.

The 2020 Q1 drug formulary changes are as follows:

**Medications added effective 01/01/2020**

- Pregabalin capsule; add quantity limit of 2 caps/day; only one strength/month

**UM Requirements added effective 01/01/2020**

- Ramelteon – add quantity limit 1 tab/day

**UM Requirements added (prior authorization) effective 01/15/2020**

- Provigil – added prior authorization requirement
- Modafinil – added prior authorization requirement

**KEY POINTS**
